Would you keep bees at (your residence, on other people's property, or by permit to a large landowner)?

Would you consider yourself a (beginner, moderately skillful, or advanced beekeeper)?

Check one of the below statements that most accurately describes the level of mentoring you would like to receive:

\_\_\_\_\_ having someone help develop your skills and practical knowledge with an eye towards **commercial** beekeeping.

\_\_\_\_\_ having someone help you improve your skills and practical knowledge so you can be a more proficient **sideline** beekeeper.

\_\_\_\_\_ having someone help you through the details of your first year of beekeeping.

\_\_\_\_\_ having someone help you at times when you simply have a question that needs to be answered right away, sort of an emergency help line.

\_\_\_\_\_ being exposed to beekeeping and bees in order to determine whether or not you want to actually keep bees yourself.
