

## **Olympia Beekeepers Association**

### **Amendments Policy**

1. After receiving a duly signed petition to amend the By-Laws or Policy and Procedure documents in accordance with Article V of the By-Laws, the Board shall post for the membership and review the proposed amendments for compatibility and conflict with existing documents, and post their results, with or without recommendation, within seven (7) days of receipt.
2. If sufficient cause is found to reject the proposed amendments, the initiator(s) of the petition shall have the option of submitting the proposed amendment to the membership for debate and disposition; amending the petition for resubmission; or withdrawing the proposed amendment.
3. If sufficient cause is not found to reject the proposed amendments, or if the Board fails to post the results of their review in a timely manner, the proposed amendment as written shall be presented no later than the next regular meeting of the membership, and voted on at the ensuing regular meeting.
